

Munster Bovine is Ireland's market leader in cattle breeding and herd management services. We offer a complete and integrated range of cattle breeding, milk recording, fertility and performance enhancing services for herd owners. Our aim is to be the trusted partner in genetics and decision support, adding measurable value for herd owners.

Are you looking to earn extra money?

Would you like to have the flexibility to work mornings and evenings, leaving the day free?

If you have answered yes to the questions above, then Munster Bovine may have the right opportunity for you.

Due to continued expansion and growth Munster Bovine has **a number of exciting opportunities for Part -Time Milk Recorders and Milk Recorder Trainers to join our self-employed Milk Recording team**

Milk Recording is one of Munster Bovines core services, the service involves visiting farms, taking samples of Milk from each cow, and recording the yield information. Available positions are in the Milking Parlour and involve either training or assisting farmers or completing the full service on behalf of the farmer.

We have a number of vacancies in our Milk Recording team based throughout Munster.

Applicants will need their own vehicle and be able to attend customer farms at milking times which will be variable hours morning and evening.

These roles may suit individuals who are looking for additional work or opportunities to earn extra money mornings and evenings.

Full and comprehensive training will be provided no experience in Agriculture necessary.

For further details of the roles visit <https://www.munsterbovine.ie/careers> or forward a cover letter and up-to-date CV in strictest confidence to Denise Murphy, HR Manager at careers@munsterbovine.ie
Closing Date 29th April 2022

Munster Bovine is an equal opportunities employer
